Work Experience

Junior developer *october 2021 – now*

BizzDev, Tournai, Belgium

I carried out analyzes and developments under the Odoo ERP with the aim of providing non-existent functionalities. In addition I did customer support for Odoo applications.

Bachelor's internship *february – june 2021*

Technord, Tournai, Belgium

13-week internship where I created an installer with NSIS to simplify and accelerate the installation of software and a experimental web application with Angular in order to verify the viability of a new product.

Student Job – meat counter *2019 – 2021*

Carrefour EU, Froyennes, Belgium

During this experience I was able to improve my communication with customer contacts as well as familiarize myself working in large companies.

Lighting designer intern *2012 – 2015*

Jet Sound, H&D Technologie, Opéra Bastille, Belgium and France

These internship were superb: I was a child making his dreams come true. The best time for me was to be at the lighting console of a show.

Projects

Naturopath – School work finish (TFE – Bachelor's degree) *2021*

Creation of a web application - REST API: Naturopath which is a Wikipedia like. Users can view, add and edit pages. The administrators validate the content of the pages. Learn: Java avancé, Spring Boot, Swagger, Angular (TypeScript).

YouTube Playlist Checker – Personal project in progress *2018 – 2020*

Creation of a web application : ypc.yt is a YouTube archiving site. Learn: PHP, SQL, database structure, creation of a web application/API from scratch, use of the YouTube API.

Game Engine – Personal project in progress *2018*

Creating a simple game engine. Learn: advanced Java/JavaFX, organization/architecture of a project.

Boby Is You – School work finish *2017*

Remake of the game Baba Is You, by Hempuli. Learn: Java, JavaFX, files management, Apache Ant.

Interests: teaching, photography, video games (factory building), electricity and cycling.

About me: I'm committed to lifelong learning, punctual, reliable, good in oral communication and self-study.
